

# Model A Ford Youth Scholarship 2023

**Congratulations...** we are extremely proud to announce the recipients of this year's Model A Ford Youth Scholarship to the following: **Adam Breer**, Castleton, NY, Adirondack A's; **Nicholas Melbert**, Monroe, IL Henry's A's; **Darla Knaack**, Homer Glen, IL, Joliet MARC Region; and **Ryan Brown**, Scarborough, ME, Pine Tree A's.

Each winner receives \$1,000 for each year they attend college provided they maintain their GPA. While it may not seem like much given the cost of education today, any amount towards tuition or books has been greatly appreciated.

These scholarships would not be possible without the generosity of so many MAFCA and MARC Clubs, as well as individual member contributions. We appreciate all the support and generosity that has been given us. We would be remiss if we did not mention the backing we have received from the **Victoria Association**, who is responsible for establishing the Model A Ford Youth Scholarship Fund under the guidance of our founding president, **Charlie Viosca**.

Please consider donating to the future of our hobby: Donations can be made and sent to:
