

## Petti-Knicker

by Peggy Gill

While perusing through the *1931 Simpson's Catalog*, I came across this half-slip and bloomers combined into a single undergarment. Made of non-run Rayon, it was available in peach and Nile green in sizes small, medium, and large. And the cost? Only \$1.00 (Canadian)!

The Robert Simpson Eastern Limited was based in Toronto, Ontario, Canada, and was an extension of Simpson's Department Store.
