

## **Garth Shreading – Director At Large**

Garth has been involved with MAFCA since 1996 when he purchased his first Model A, a 1930 Deluxe Coupe. Since then he has undertaken a frame off restoration of a 1929 Pickup and now owns a 1931 Slant Window.

He has served MAFCA as Chapter Coordinator, Treasurer and is presently serving his third term as President.

He finds tremendous enjoyment touring and especially enjoys the National Tours where everyone can see many examples of the great Model A's that *The Restorers Class* is working to reach.
