

ORDERING MAFCA ERA FASHION PATTERNS

When you order a pattern, you will be receiving your own copy of the original pattern copied onto modern paper, which is much more durable than the original. For most patterns we have only one size. The sizes in the era patterns are not consistent with modern sizing; the size listed on the pattern may refer to the bust size or may indicate the age or body size of the wearer. You will need to fit the pattern to the wearer before cutting out the material. While some of the patterns have printed instructions, others have minimal instructions or, in some cases, none. There is some discussion on fitting and sewing Reproduction Era Fashions in A BOOK OF FASHION FACTS by MAFCA. This book can be ordered from MAFCA or by going to www.mafca.com and going to the **SHOP** page.

Patterns without dates have not been documented by the Era Fashion Committee.

Pattern cost is \$25 each for MAFCA members, including shipping and handling. Pattern cost for non MAFCA members is \$45 each, including shipping and handling. Please allow 3-4 weeks for delivery. No Refunds
