

Motel 6 Discount Program

Good News For Our Membership!

The Model A Ford Club of America has just entered into a partnership with Motel 6. Our members will receive a 10% discount when booking reservations with Motel 6. Go directly to our [Home Page](#) and read about the new benefit for the membership. Click on the Motel 6 logo and get all of the information.

When I first came on as President, one of the first priorities I gave myself was to see if we could get some benefit 'Perks' for our membership, such as what other corporations make available for their members. The partnership with Motel 6 is the first we have landed. I'm working on others and hope we can land many more benefit Perks for the membership.

Les Andrews, 2009 President
